NEW HOPE CELEBRATES PRIDE PARADE

May 21, 2016

It's not often you see religious organizations gathering to show their support to affirm and promote the inherent worth and dignity of every person, but that's what makes Unitarian Universalists so special. The Unitarian Universalist Fellowship of Lower Bucks has been attending this event for the last few years and welcomes joining with other faith groups to show our support for the LGBT community. If your group is interested, please contact Felice Macera (felice@lrsm.upenn.edu) to coordinate logistics, or if you would like to walk with our group, feel free to meet us at the staging area around 11:00am on the event day. More information about this multi-congregation event can be found on the cluster website (above) and more about the New Hope event itself can be found at the link below.
