

How You Can Be Part of UUPLAN

UUPLAN's ability to make a difference depends on our having active members in UU congregations throughout the state. Within each congregation, UUPLAN Liaisons make sure UUs are informed and mobilized to meet with legislators and other decision makers to express our social justice concerns. Our UUPLAN Team Leaders coordinate our advocacy in each issue area.

FINANCIAL SUPPORT from UUs across PA is vital to our success.

Our 2016 Agenda

The current political trends in PA are directly threatening to UU values regarding the rights and dignity of individuals, the democratic process, caring for our environment, and the rights of women and people of color.

Anti-Mass Incarceration:

We work to end mass incarceration, especially of people of color, due to unjust drug laws, unfair sweeps, inferior education, poor access to employment, and devastated communities. Our focus is to stop prison construction in PA and to promote programs to assist returning citizens.

Economic Justice:

Our UU principals of respect for the dignity of all and for the democratic process call us to extend the principles of justice into the economic sphere. We support the "Move to Amend" issue and join in the struggle to ensure that all Pennsylvanians have the basic means of survival, access to living wage work, and the right to organize for justice and dignity on the job.

Team Leaders:

Neil Goldstein, neilgold@aol.com

Environmental Justice:

Our Mission is to explore what it means to live within a religious community on an imperiled Earth and join in efforts, both symbolic and explicit, to becoming stewards of the Earth.

Team Leaders:

Rick Joers, rjjoers@gmail.com
Rachel Mark, rachelmark@paonline.com

Immigration Justice:

Upholding the UU principles of "the inherent dignity and worth of every person" and "with justice, equity and compassion in human relations", we advocate for the rights of all immigrants in PA, documented or undocumented.

Team Leaders:

Dennis Brunn, dbrunn@verizon.net
Hiro Nishikawa, ahnishikawa@comcast.net

LGBTQ Justice:

Based on our UU principle of the inherent worth and dignity of all human beings, we work for the full equality of people of all sexual orientations. Our goal is to end currently legal discrimination in Pennsylvania based upon sexual orientation or gender expression.

Team Leaders:

Bruce Zangwill, brucez2316@aol.com

Reproductive Justice:

Many people have no choice when it comes to these most basic of human rights: To have or not to have children; to raise their children in a safe and healthy environment; and to express their sexuality without fear of oppression. Reproductive Justice addresses these inequities, believing these rights should not be determined by your race, gender, income or sexuality.
