Justice and Gerrymandering: Why Redistricting Reform Matters

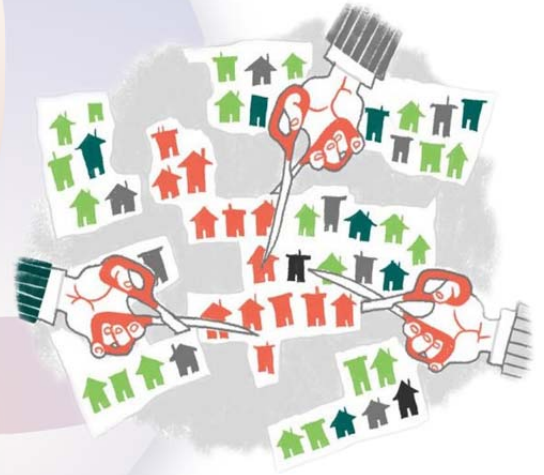

Saturday, October 7, 2017

9:30 am - 12:00 pm (Registration opens at 9:00 AM)

Unitarian Society of Germantown

6511 Lincoln Drive, Philadelphia, PA 19119

Carol Kuniholm (chair and co-founder of Fair Districts PA) will explain the redistricting process and its impact on social policy in PA with additional insights into NJ and national redistricting efforts. She will demonstrate how the current process undermines democracy, suggest a solution, and offer ideas on how all citizens can support and encourage change. After the presentation, participants will have the opportunity to break into small groups to learn more about what's happening in their area and ways they can get involved.

FREE event! All are welcome.

Please register by September 15th, so we can prepare for the small groups (leaders, materials)
